

Reading is **COOL**... Reading is **FUN**...

READING ROCKS

Joe Holiday's Reading Rocks Magic show is the ultimate assembly program written specially for your elementary school or library. A unique blend of stage magic, comedy, music and audience participation that showcases both classic and popular children's literature. A crafted performance with over twenty years of experience in schools all over the Northeast.

“Joe’s magic amazed everyone in the audience. Each magic trick performed was tied to a book that students already knew or are excited to now read!”

3rd grade teacher- Rachel Savage

This program promotes and encourages good reading habits in your students that will last long after the show is over!

“The students were excited throughout the entire assembly and talked about it for days after. Thank you for an engaging and fun experience for our students.

Teacher - Carrie McDonald

show includes Newbery and Caldecott winners!

Kick off your next book fair, reading incentive program, Dr. Suess celebration or just a terrific way to reward your students!
