

2014

Joe,

Season's Greetings from the Jersey Shore Children's Museum to you and your family!

I just wanted to take a moment to first say THANK YOU for all you have done to continue to assist the children's museum in our efforts to spread the word of our non-profit educational facility.

So grateful we have worked together in the past while hosting events at the Shore Mall. I am equally honored to continue the partnership while I am the current director for the museum. Your magic shows both as a general magic show to the specialty shows like the 'Reading Rocks' program are a family favorite. You capture the attention of children (and adults) to bring books to life and making every one a separate adventure.

Please feel free to use the following quote for any of your testimonials...we look forward to booking with Magician Joe Holiday in 2015!

"Joe Holiday's magic always brings out the crowds to the Jersey Shore Children's Museum! Joe's unique show is a family friendly favorite. From the high energy music, tricks that are out of this world and audience interaction...The parents are laughing as hard as the children!"

Dawn Cooper, JSCM

Wishing you all the best in 2015!

Dawn Cooper, Manager

Mission: The Jersey Shore Children's Museum is a non-profit, hands-on discovery center dedicated to stimulating curiosity and awareness in the areas of science, technology, history, and culture. Programs and exhibits encourage children (of all ages) to explore the world around them by providing an environment that stimulates creativity, imagination, and learning through interactive play.
